

Once upon a time, in a land not very far away, there was a beautiful community where children, families, and teachers learned to grow and play. It was known far and wide as

Rietondale Primary.

Thanks to the community you built on ClassDojo, **28** deeply devoted teachers there made a point to connect with families, surrounding each kid with community support, in and out of the classroom.

And connected they were: **1,109** families suddenly had a window into what **1,155** kids were up to all day, which brought them wide smiles and happy hearts—gladness in every way.

So what delights did those dedicated teachers share? They made the mundane into magic through **998** Class Story posts and shone a spotlight on the whole community with the occasional School Story, too—**1** of them, to be exact. All the while, they awarded **29,673** points for positive behavior, which is no surprise.

The good reputation of **Rietondale Primary** has spread far and wide!

But they didn't let the bounds of their classrooms contain them, oh no! Those same terrific teachers were busy keeping families in the loop all year long, with **18,538**

messages sent home, making sure everyone was included in the adventure

Finally, that all-star staff got to see who was shining extra bright—and how.

C Weiss spread positivity far and wide by awarding **B. Exceptional good conduct**, the top-awarded point in the community, a whopping **2,113** times. And **L Heck** sent **2,171** messages home to families eager to hear how their kids' days are going!

We'd wrap up the **Rietondale Primary** fairy tale with a tidy bow, but you are the ones writing the story with your hard work and passion.

So thanks again for a storybook-worthy year with ClassDojo. We hope you'll spread the word far and wide amongst other **Rietondale Primary** teachers and leaders! We can't wait to see you again next year—and happily school year ever after.

Cheers,

Caitlin & the ClassDojo Team ~
